

November 2018

Hello Neighbors,

We couldn't do what we do without YOU. So thank you! As a result of your generous donations each year, the Weston Education Foundation (WEF) has:

"Thanks to the guidance of Ms. Greenberg, the equipment provided by WEF, and the help of my knowledgeable classmates I am in a position to test for real, impactful data. I have looked forward to seventh period every day since the first day of school and the inexplicably creative atmosphere it ensures."

— Member of Honors Science Research Class

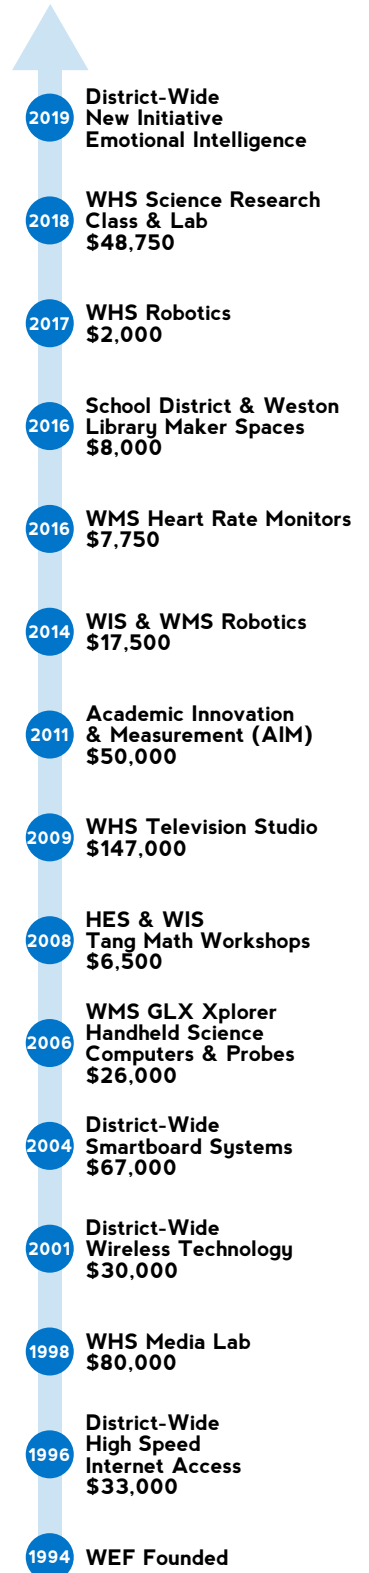

As we approach our 25th year, we believe WEF's work is now more important than ever. In the year ahead, WEF is committed to actively supporting the District's initiatives to focus on our kids' emotional intelligence and to create the healthiest of learning environments. In the words of Superintendent Dr. William McKersie,

"Strengthening and supporting the emotional well-being of students is one of the most important issues facing school administrators today."

Please join us in our efforts to empower Weston students. To our many past donors, thank you in advance for your continued support. If you're just getting to know WEF, please consider donating. Every dollar of your tax-deductible donation stays in Weston. Any amount is helpful and appreciated.

Together we can do great things. Let's do this!
